

REOPENING WITH CARE

THE HOBART FAMILY YMCA IS COMMITTED TO YOUR SAFETY

We know there is a lot of uncertainty about the future, and what to expect when our state's stay at home orders are lifted. The Hobart Family YMCA is committed to safety. Our commitment to excellence begins with a focus on safety and 'kids and members first philosophy.'

OUR BRANCH IS PRACTICING THE FOLLOWING THROUGH FACILITY AND PROGRAM AREAS:

- "Take 10" each hour to identify areas that may need additional cleaning/disinfecting
- We will close our locations at 8:00pm Monday-Friday to complete deep cleaning/disinfecting
- Safety protocol reminder signage throughout the location
- Physical distancing stickers (6 feet) placed on floors throughout the facility
- Reduction of access/reduce participants by specific areas to ensure physical distancing
- Extra cleaning supplies and sanitizer available throughout the building
- Cancellation of organized programs during May to reduce risks due to inability to distance in program areas
- Limited capacity in classes during summer programs to reduce congestion
- Guest passes & nationwide memberships will be unavailable during this time
- Age restriction: Must be at least 14 years old to be in the YMCA alone. Those under 14 must have immediate adult supervision.

STAY HOME IF YOU ARE SICK

Stay home when you are sick, except to get medical care. We will take the temperature of those coming in to the Y at the point of entry.

PHYSICAL DISTANCING PRACTICED

To practice physical distancing: Stay at least 6 feet from others and do not gather in groups.

WASH YOUR HANDS REGULARLY

Wash your hands often with soap and water for at least 20 seconds.

PPE AVAILABLE FOR STAFF

To keep our staff safe, we will have cloth masks and gloves available for our staff. Sneeze guards will be installed at our front desks.

REDUCTION OF GROUP SIZES

Group sizes are being reduced to reduce risks and to ensure physical distancing is practiced.

DISINFECT EQUIPMENT DURING USE

Clean & disinfect frequently touched objects and surfaces including fitness equipment before & after use. Staff will "take 10" each hour.
